

DEMAND MODEL CALCULATION  
 HARTFORD MINORITY APPLICANTS ONLY  
 DRAFT FOR DISCUSSION PURPOSES ONLY - NOT OFFICIAL DATA - NOT FOR DISTRIBUTION

2010 Lottery	Hartford Seats
Applications to Open Choice and/or at least 3 magnet/technical schools that met the desegregation standard (demand pool)*	4003
Of those in the demand pool, applicants placed**	1878
% Placed	46.91%
Wait List	2125
Wait List Responses (Families that responded that they want to stay on the waitlist) - Their demand was not met	1536
Non-Response	589
Total Demand Met (Families placed + families who did not respond)	2467
% Demand Met	61.63%

\*Capital Prep and Pathways did not count for this category because they did not meet the desegregation standard. In addition, not all technical schools were included in this count.

\*\*Capital Prep and Pathways were included in this category because placement equals demand.
